

# Newspapers in Education Program

## ORDER FORM

Newspapers are provided at no cost to the school thanks to the generous support of individual donors and corporate sponsorships. For this free service, we ask that teachers have students create thank you notes for sponsors at the end of the school year, and also that the teachers complete an affidavit verifying use and enrollment in this program each year in March.

Use this form for the following counties: **Washington, Benton, Madison, and Carroll.**

Yes, please enroll me in the NIE program       First-time user of the NIE Program

Name \_\_\_\_\_
